He ain't gone tie me down
While I'm on the road buying all the shirts,
All the hats, all the clothes.
What you want right now?
I'm shopping right now.

I think you need to sit back down
Cause he ain't gone tie me down (x2)
Sit back down, you ain't gone tie me down.

Uhm, know we been together for a minute
But uh, the situation is kinda finished.
Ended that when I saw you with other women.
And it's pretty obvious that you're kinda trippin.
Like who the hell are you with?

Lookin' really sus.
Aimin' me with dumb ish.
You know you got problems and you failed to fix it
I'm like, you need to go somewhere else with this ish.

Cause I ain't gone put up with you
Talking bout how she wasn't there with you
Like I mean, I'm only 16.
And I could already see thru your routines

And right now I'm pretty much done with this
relationship
Or maybe we should wait for it?
Later we can try things out, SIKE.
I doubt that now, cause he ain't gone tie me down.

While I'm on the road buying all the shirts,
All the hats, all the clothes.
What you want right now?
I'm shopping right now.

I think you need to sit back down
Cause he ain't gone tie me down (x2)
Sit back down, you ain't gone tie me down.
(Ohhhhhhh) you ain't gone tie me down

Ayee boy, what up?
No I'm not gone make a scene
But you can't tie me down, like you finna run things.
You were my dude, so what?
But let's get it through your head.
Yeah, we had good times
Chuckie Cheese, Disney land.

It's the best and I love it.
And things won't change.
While I'm out faithful, you be kissing my friends.

Now you dumb, not a brain.
And I can't believe that baby boy.
100 I ain't tryna do that, got too many goals.
And I ain't letting go, cause my life is bomb
And you ain't nothing but a bum.

Yeah, you come to my school
And you're very determined.
Just send me some flowers, and my people will get
them.
It was nice
I'm surprised that you're still even here.
As you know, I'm a star and I haven't done wrong,

Now lets start from the top,
Boy, this ain't no loving
I gotta new boy now, so...

He ain't gone tie me down
While I'm on the road buying all the shirts,
All the hats, all the clothes.
What you want right now?
I'm shopping right now.

I think you need to sit back down
Cause he ain't gone tie me down (x2)
Sit back down, you ain't gone tie me down.
(Aye, aye) tie me down.

He ain't gone tie me down
While I'm on the road buying all the shirts,
All the hats, all the clothes.
What you want right now?
I'm shopping right now.

You ain't gone tie us down
While we on the road buying all the shirts,
All the hats, all the clothes.
What you want right now?

We shopping right now.

I think you need to sit back down
Cause you ain't gone tie us down (x2)
Sit back down, you ain't gone tie us down.

You ain't go tie us down, ohhh baby.
You ain't gone tie us down.
