Oh, city don't cry
Oh, city don't cry
Is all your virgin truth turned to lies
Are all your dreams of freedom
monolith
Is all you peace and justice so much myth,
oh
Ohhhh, city don't cry
Na na, na na, na na, na na, na na, na na,
na na, na na, Na na, na na, na na, na na, na
Oh, city don't weep
Oh, city don't weep
For even brother satan has to sleep
And all your tragic idols rest in peace
And beautiful believers, their quiet council keep
So, oh, city don't weep
Na na, na na, na na, na na, na na, na na,
na na, Na na, na na, na na, na na
Oh yeah
Oh yeah
Oh, city don't moan
Oh, city don't moan
Inside your gates
I make my wanderers home
And from your desert arms
my fears have flown
Against your walls my demons,
they all turn to stone, oh-oh-oh
Oh, city don't moan
Ohh
Ohhhhh
Ohh
Oh, city don't cry
Yeah-oh, city don't cry
again
Is all your virgin truth turned to lies
Are all your dreams of freedom
monolith, oh
Is all you peace and justice so much myth,
oh-oh-oh-oh
Oh, city don't cry,
yeah
Ahhh, fly away
Oh, now, city don't weep
Yeah-eah-eah-eah, city don't weep
For even brother satan has to sleep,
oh
And all your tragic idols,
well they all rest in peace
And beautiful believers, their quiet council keep
Oh oh oh ohhhh, city don't weep,
ahhhh, yeah-eah
Na na, na na, na na, na na, na na, na na,
na na, na na, Na naaaaaaa
Ohhhh
Said oh, city don't moan
Oh, now city don't moan
Inside your gates
I make my wanderers home
And from your desert arms
all my fears have flown
Against your walls my demons
turn to stone
Said oh, city don't moan
Yeah, city don't moan
Yeah, city don't moan
Don't moan
Don't moan
