Hangman, hangman, hold it a little while  
I think I see my friends coming  
Ridin' many mile  
So friends, you get some silver  
Did you get a little gold  
What did you bring me, my dear friends  
To keep me from the gallows pole  
What did you bring me to keep me from the gallows pole  
I couldn't get no silver, I couldn't get no gold  
You know that we're too damn poor  
To keep you from the gallows pole  
Hangman, hangman, hold it a little while  
I think I see my brother coming  
Ridin' many mile  
Brother, did you get me some silver  
D'you get a little gold  
What did you bring me, my brother  
To keep me from the gallows pole  
A-brother, I brought you some silver  
I brought a little gold  
I brought a little of everything  
To keep you from the gallows pole  
Yes, I brought you to keep me from the gallows pole  
Hangman, hangman, turn your head awhile  
I think I see my sister coming  
Riding' many mile, oh, whoo  
yeah  
Sister, I implore you, take him by the hand  
Take him to some shady palace  
Save me from the wrath of this man  
Please take him  
Save me from the wrath of this man, man, man, man, man  
Hangman, hangman, upon your face a smile  
Tell me that I'm free to ride  
Ride for many mile, mile, ohhh  
Oh, yes, you got a fine sister  
She warmed my blood from cold  
She warmed my blood to boiling hot  
To keep you from the gallows pole  
Your brother, he brought me silver  
Your sister warmed my soul  
But now I laugh and pull so hard  
And see you swinging on the gallows pole, yeah  
Cause now I laugh and pull so hard  
And see you swinging on the gallows pole  
Swingin' on the gallows pole  
Swingin' on the gallows pole  
Swingin' on the gallows pole  
Swingin' on the gallows pole, whool  
keep swingin', I keep swingin', I keep swingin'  
Yeah yeah yeah yeah  
See-saw, march to that door  
Oh, swing  
See-saw, march to that door  
Gonna swing  
Swingin' on the gallows pole  
Swingin' on the gallows pole  
Swingin' on the gallows pole  
Swingin' on the gallows pole
