Oh, speak to me, tell me the truth  
Why don't you let me know?  
Oh, throw me the key, I'm locking it up  
I think it's time to go

And when I think about it now  
We built a house of love somehow

Oh, talk to me, you're packing your clothes  
You leave me walking the floor  
Oh, feels strange to me, I'm losing control  
I can't feel you anymore, ooh ooh

And when I think about it now  
We built a house of love somehow

It hurts a little too much  
It hurts a little too much

Oh my crazy arms, so empty now  
So cold like dying snow  
Mmm, remember me, I can't forget  
You touched my very soul

Oh when I think about it now  
We built a house of love somehow

A little too much  
It hurts a little too much  
It hurts a little too much  
It hurts a little too much, ah ah ah

Oh, and you hurt me girl  
Ah, you really, really do now  
Ah, you hurt me child  
You know you really, really do now  
But things get better, baby

When I was born I was running  
Yeah, just-a running so hard now  
Ah but things get much better baby  
But things getting better, so hard, so hard, so hard

Ah, keep a-running, keep a-running  
Things get better baby, oh

Oh my crazy arms, so empty now  
So cold like dying snow  
Oh, remember me, I can't forget  
You touched my very soul

Oh when I think about it now  
We built a house of love somehow

Just a little too much  
Oh a little too much  
It's just a little too much  
It's just a little too much

Oh, come on, yeah keep on  
Come on, come on, come on, come on, come on, yeah

[Incomprehensible]  
Oh my mistake now  
Oh my mistake now
