Nobody's fault but mine  
Nobody's fault but mine  
Tryin' to raise my soul to light  
Nobody's fault but mine  
Got a Bible in my home  
Got a Bible in my ho-oo-oh-oo-ome  
Tryin' to raise my soul to light  
Nobody's fault but mine, yeah  
My sister, she told me to roll  
My sister, she told me to ro-oo-oll  
How to roll down to the light  
Nobody's fault but mine, ohh  
Nobody's fault but mine  
Nobody's fault but mine  
Tryin' to raise my soul to light  
Nobody's fault but mine, take it home  
take it home  
Oh ma ma home  
got a monkey on my back  
I got a monkey on my back, back, back  
How to raise my soul to light  
Nobody's fault but mine, yeah  
Nobody's fault but mine  
Nobody's fault but mine  
How to raise my soul to light  
Nobody's fault but mine, whoo hoo hoo  
Ahh, nobody's fault but mine  
Nobody's fault but mine  
How to raise my soul to light  
Nobody's fault but mine  
Oh, yeah  
Nobody's fault but mine  
Nobody's fault but mine  
Tryin' to raise my soul to light  
Nobody's fault but mine, yeah  
No-ooo-ooo  
no-ooo-ooo
