I been a-workin' from seven, baby, to eleven every night  
It really makes life a drag I don't think that's  
right I've really b-b-been b-b-b-b-b-b-best of fools,  
ohhh ohhh Yeah, but you know I did what I could, yeah-  
oh Said oh, I love you, baby Oh, I love you, baby Oh, I  
love you Little girl, ohhh But baby, since I've been  
loving you, yeah I'm about to lose, oh, oh, my worried  
mind Everybody is trying to tell me Ooooooh  
oooooooooh, that you didn't mean me no good,  
no But I've tried, I've tried, I've tried, I've tried,  
ohhhhhh I've tried to do the best I could I've been a-  
working, I've been a-working, ooh, baby, baby, baby,  
baby, baby, To eleven every night You're such a drag,  
you're such a drag, you're such a drag, you're  
such a drag You know, I don't, I don't, I don't think  
that's right Baby, since I've been loving you  
now Ohhhhhhhhhhhhhhhhhhhhhhhhh I'm gonna lose it,  
my worried mind, don't make me lose it--guitar solo--  
Ohhhh, baby I've been crying, ohh ohh ohh All my  
tears, they fell like rain, oh hoh hoh hoh Oh, stop these  
tears from falling Mama, stop these tears from  
fallin' A-do you remember, mama, when I knocked  
upon your door You had the nerve to tell me You didn't  
want me no more I open my door, hear my back door  
slam, yeah I said, hey baby, I got a New fangled back  
door man I've been working from seven, seven,  
seven, seven, seven, seven, Seven, seven,  
yeah You're such a drag Oh yeah, I know such a  
drag Oh yeah, I know such a drag You're such a  
drag You're such a drag You such a drag You such a  
drag Ahhhhhh Baby, since I've been loving you I'm  
about to lose, ah yeah, my worried mind Oh, just one  
more Just one more Oh, yeah Oooh, don't make me  
lose it Please don't make me lose My worried mind,  
yeah Oooh-oooh-ohhh, yeah
