If the sun refused to shine
I would still be loving you
If mountains crumble to the sea, baby
There will still be you and me, yeah

Kind woman, I give you my all
Kind woman, nothing more

Little drops of rain whisper of the pain
Tears of loves lost in the days gone by, oh, oh, oh
My love is strong, with you there is no wrong
Together we shall go until we die

Happiness, no more be sad
Happiness, unblessed

And so today, my world it smile
Your hand in mine, we walk the miles
Thanks to you, it will be done, baby, baby, whoa yeah
'Cause you to me are the only one
The only one, the only one, the only one

Kind woman, I give you my all
Kind woman, nothing more

So if the sun refused to shine
Ohh, I would still be loving you
If mountains crumble to the sea, baby, baby, ohh
There will still be you and me, you and me, ohh

Ba ba ba ba ba ba ba, ohh
I wanna thank you
Ba ba ba ba ba ba ba, oh yeah
I'm gonna thank you, oh yeah, okay

Ooh yeah

'Cause I shoved my heart out, baby
I never let you go, baby, ohh yeah
Oh, I wanna thank you to ask me why, baby
To wonder why, baby, yeah, yeah
I wanna thank you, you, you
