Oh, yeah, here I am
I've been here since all time began
Oh, oh, I'm here and then
Go round and round and back again

Ah - ah - ah
Ah - ah - ah

Hey hey, come look and see
My footsteps through eternity
Riding hard, strong and free
The messenger will hold the key, ohh-hoh-hoh

Ah - ah - ah
Ah - ah - ah

I saw you
I knew you, I touched you
When the world was young
I saw, and I knew and I touched
When the world was young
When the world was young, oh ohhh

Ah - ah

High on a hill, home of my heart
Take me dancing round, oh, and round
Carry me still sweet home of my heart
Take me dancing round, oh, round

I saw you, and I knew you, and I touched you
When the world was young
I saw you, and I knew you, and I touched you
When the world was young

Oh oh oh oh oh oh ohhh

Round, round, round, round

I saw you, and I touched you, and I knew you
When the world was young
I saw you, and I touched you, and I knew you

When the world was young

Carry me still home of your heart
Keep me dancing round oh, and round

Oh oh
Oh
When the world was young

Oh oh oh
Oh hoh
When the world was young

Oh
Ohohohhohhoh
