So throw it down, Cleveland rain  
The queen of love has flown again  
To seek her daughter  
Who must lie beside the thief  
Whose golden tongue she will believe  
Defies the order, ohhh

Ohh, that is why  
Ohh, that is why

Shall we dance and never stop  
Take my hand and stop the clock  
From turning over  
And spirit weave and spirit bend  
In the move that has no end  
That we must follow

Ohhhhhhh  
Ohh, ohh

Show me your eyes  
Oh, light of the son  
Touch me with fire  
My mind is undone  
All life conspire  
My freedom has come  
I drift through desire  
My wonderful one

When you do what you do  
I can never, never, never  
Let you go  
When you feel the way you feel  
You can never, never, never  
Let it show

Show me your eyes  
Oh, light of the son  
Touch me with fire  
My mind is undone  
All life conspire  
My freedom has come

I drift through desire  
My wonderful one

Oh, hoh-hoh, ah ah-ah,  
Mmm oh oh-oh, oh ohhh ohhh hohhh

So throw it down, Cleveland rain  
The queen of love has flown again  
To seek her daughter  
Who must lie beneath the thief  
Whose golden tongue she will believe  
Defies the order, oh yeah yeah yeah

That is why  
That is why  
That is why  
Oh yeah, that is why
