Oblivion

Heaven calls for the sinner
Hell awaits for the saint
Someone save the innocent
Turn the odds around

Purgatory ablaze
Granted no salvation
Home of the wicked on earth
The humble and the vain

Fall into Oblivion
Everlasting night
Fall into Oblivion
Into the night

Something is awaiting
Are you eager to see?
Shrouded in truth
Governed by the lies

Rise through the firmament
Cast your bearings aside
Nowhere is yon kingdom high
Nor the torment below

Fall into Oblivion
Everlasting night
Fall into Oblivion
Into the night

Chorus:
Oh great architect
Of infinite stature
Reign forevermore
On your throne of thorns
Watching the pedestal
With an ever-opened eye
Ever alert
A guardian of false hope
Bearing a mantle of despair

Despair

[Chorus]
