Don't just wade

Let me lie hear still
Or I wont get my thrill
It's a holy rite again
Well now I will sink or swim

Without hope I am drowning
I'm sinking down into the darkness
But for love I will swim to safety
I'll safely swim ashore on dry land
But for love I will swim

Let me lie here still
Cause I just took my pills
This ammusment ride I'm in
Well now I will sink or swim

Without hope I am drowning
I'm sinking down into the darkness
But for love I will swim to safety
I'll safely swim ashore on dry land
But for love I will swim

Miles away
Miles away from any shore that I've ever known
And the surface it ripples
But the waves
The waves that carry me home
To carry me home

Without hope I am drowning
I'm sinking down into the darkness
But for love I will swim to safety
I'll safely swim ashore on dry land

Without hope I am drowning
I'm sinking down into the darkness
But for love I will swim to safety
I'll safely swim ashore on dry land
But for love I will swim
