Everything like everthing

Come on i know your touching it like all

Come on

Took a deep breath

My cousin ...

That make us look like we are Obama

Like a politician we got that mission from this chicks

That floors it's where we live

Checks and cash

May try to get bad

Made a plan hit the stage

Hit the stage

We thought the plan that we conspire was great

Told my niggas wait ..got unexpectedly game

No stress drop the boul and ...

Streaght to a motel cause nigga got a gun

She broke that nigga ...

So just take two minuts

Maybe a couple more

We're here to...

Get your dress and ...

What the fuck ...

No work asinged...

Like you play with fucking hights

I should shoot you on the roof

When it was the mother fucking light

When I do my last ... up and down

When the moment of the story should they know what
