feat. Denzil Porter

Now I heard queens get the money, dollar bill yo  
We at the 2, that's how we keep the money flippin

Like an attitude,  
These bronx bullies fooly don't speak with no gratitude  
These actors be acting, but actually not speaking  
actual  
While most of us is real though  
Mess around you lie dead  
Real bronx niggas feel my legs like fly legs  
Queens niggas go to the bronx they bust a long tweat  
Bronx niggas come with they bitches over the bronze  
...them last niggas defeated one  
Yankes got the bronze, kinda looking like mohicans son  
So we loose, you choose and you a fool  
And yankees versus metz nigga, 27 on 2  
The kind of money we makin, probably lookin like  
having a humor  
Cause the cain will make you able to make your money  
come in look cool  
And with this rap shit, don't get it backwards  
We never frontin  
If it wasn't for the bronx, you'd probably be saying

[Hook]

Now if it wasn't for the bronx  
This rap shit probably never would be going on  
So tell me where you from  
Uptown, downtown  
Uptown, downtown  
Let me take you to the queens side  
I'm representing, puttin queens on the map  
Queens get the money, long time no cash  
Caught up in the hustler and the guns go blast

Chillin with a queen from queens in queens  
Chicks from the bx give me neck then leave  
I don't want that box, return it to the sender  
I heard a lot of bronx shiz got houses in virginia

Read it in the paper, just the other day  
Not saying it's true, but that's how hoes betray  
Pete told you before, queens niggas know ...  
If you queens niggas still going...  
Yeah, that's word to my ment fitty  
We the underdog, but somehow we still winnin  
Similar to harlem niggas, nice, flashy when we spit it  
We got both airports, we the first ones to get it  
Bronx might have started this, but queens gonn finish  
it  
When russel simmons in this, open up some  
businesses  
Queens is legendary, breaking records, sippin  
guinnesses  
Got guiness book on world records  
Ask earl, we did this

[Hook]

Now if it wasn't for the bronx  
This rap shit probably never would be going on  
So tell me where you from  
Uptown, downtown  
Uptown, downtown  
Let me take you to the queens side  
I'm representing, puttin queens on the map  
Queens get the money, long time no cash  
Caught up in the hustler and the guns go blast

See bronx niggas like ... they have regardless if  
Heart cold, head hard and shit  
We droppin bombs and shit  
Queens we smoke like wood  
Bronx got forestes  
See queens got queens but bronx queens more like  
goddesses  
While queens keep on faking it  
But I'm back creating it  
Hey yo, that's now what krs says  
But look at where I'm taking this  
Dead in the middle with little, you had it shaking it  
Rest in peace big pun, who you gonn replace him with  
You see that king right the south bronx  
Me I'm from another street  
Big pun's irreplaceable, I'm just another...  
Queens got better bitches, every face is a 8 at least  
Queens nights quiet in a city that will never sleep  
I'm only crossin them bridges with good jerk chicken  
Not proly cause he sloppy, he gonn jerk you on them  
tickets  
We all know how them uptown players play  
I was born here, raised here, this where I'ma stay

[Hook]

Now if it wasn't for the bronx

This rap shit probably never would be going on

So tell me where you from

Uptown, downtown

Uptown, downtown

Let me take you to the queens side

I'm representing, puttin queens on the map

Queens get the money, long time no cash

Caught up in the hustler and the guns go blast.
