Police might just pull this ride
Found them keys, let this slide, give a nigga 55
Yeah, any second my clock could stop
Get hit with a couple shots
Will they miss me like a punk?

Will they miss me when I'm gone?
Will they miss me when I'm gone?
Will they miss me when I'm gone?
Will they miss me when I'm gone?

They plan, they play, wish for us bad on the way let it
win
Bad bitch on exotic trips, gotta take that risk, wanna
live like this
You talk, we walk, took them bricks outside get J
When you're caught or you miss ' just one less nigga
that's in the way
If I should die before I wake, I pray the Lord my soul to
take
Exposing fake, it's in my will, don't let these niggas
take my place
If I get rock I'd rather die, gonna ride it out, put it in the
safe
So I'm sure that I'm secure when I come home then I'm
fucking straight
I'm bugging, wait, life is but dreams so it seems, feel
more like a nightmare
When the judge giving out them light years, light
years? Act scared, bitch
Talking long time, won't see your kids
So close, no belt broke, that elbow, you like hell no
Haters be like hell yes, popping bottles and fall chairs
Finally that dude is outta here, now I can pop on my
career
I'mma miss making 30s back flip, I'mma miss putting
money in a bad dream
Haters, it's ok to miss me, just miss me with that rap
shit

Police might just pull this ride

Found them keys, let this slide, give a nigga 55
Yeah, any second my clock could stop
Get hit with a couple shots
Will they miss me like a punk?

Will they miss me when I'm gone?
Will they miss me when I'm gone?
Will they miss me when I'm gone?
Will they miss me when I'm gone?

When that money up she kiss me
When that money go she miss me
When that money back she miss me
This is just repeated history, ' bet she like it
Just stay loyal and respect me
It's a staples easy, nothing gonna make me go back
how you met me
Me and my niggas do our thing, we know how to play
our cards
In a glow popping spades, shining diamonds with no
hearts
These fake ass rappers, banging corners, breaking
sweats
Be on records, singing fresh, my aim the best, I be like
next
If you bang 45th better hope you missed
I'm the gold, I'm the list, then your bro, then your sis
Then your mom to the fish, whole fam getting hit
Realize this life can never turns out how you plan it
Real life is life so we shouldn't take it for granted
I know, any second I can get cold slitting, could be
eating with my girl
On an out of town visit, while I'm looking at the menu
Bout to order me some chicken mac 'cause the one he
loving
Is the one I put my dick in all
That come from way back, still tryina get some payback
'Cause the streets bout my shit and he don't get no
playback, no

Police might just pull this ride
Found them keys, let this slide, give a nigga 55
Yeah, any second my clock could stop
Get hit with a couple shots
Will they miss me like a punk?

Will they miss me when I'm gone?
Will they miss me when I'm gone?
Will they miss me when I'm gone?
Will they miss me when I'm gone?
