I got a swag on a milli my niggas do too  
I got a bad bitch with me and my bitches do too (huh)

Ok my swag on infinity, these niggas ain't killing me  
I'm killing, keep the red beam on my enemies  
These niggas just mad because I am what they pretend  
to be  
If they went numb to the touch they'd still be feeling me  
Bitch you know it's nothing when you see them niggas  
suffering  
Guns getting loaded up like the clip was buffering  
I'm getting bucks again, catch me speeding down the  
road to riches  
You can't see my swag, blindfold bitches  
I'm talking big cash bad bitch with a big ass  
I got that dope dick with more feens then a methlab  
See bitch I'm balling and got your girl on my genitals  
And since I'm from clarksville bitch you know that I'm a  
general  
I got plenty hoes from the way that I ride  
And got your bitch right by my side  
And since I'm a stand up guy  
Just tell me one thing, tell me why would I lie  
These niggas fed my ego, now I done gone and went  
beast mode  
These people need to learn that we are not an living  
equal  
I kill em all send a casket and an ambulance  
I'm flying on a paper plain with no turbulence  
You know I'm stunting, I'll City like a mutha'fucka  
You bragging about you bad bitch? I got a couple of em  
(Swisha Gang)
