[Hook:]

You ain't never seen a swag like this  
Be the shit but still them haters pissed (like this) put em  
up  
You ain't never seen a style like this  
V-neck and some fresh white kicks (like this) put em up  
You ain't never seen a bank like this  
In the club make it rain like you rich (like this) put em up  
You ain't never seen a squad like this  
Clarksville stand up this is it (like this) put em up

[Verse 1:]

Clarksville I throw it up no stomach virus  
I ball out of sight like a blind iris  
I'll city I'm hotter then the solar  
But I'm too cold ain't talking bi-polar  
Swag hot with a brand new outfit  
Plus I'm in the club looking for a bad bitch  
And you know we throw them bottles up, yes sir  
With patron in my cup that's what's preferred  
Money like confetti I'm living a parade  
Rock hard till I die cradle to the grave  
Uh this is Clarksville at it's best  
I'll have the crowd tripping like I put em on a quest  
I make hits are ya'll waiting on the wind-up  
I got dope lines like a cocain sign up  
Haha I light it up mid-night vegas  
I'm talking with my money let's have a conversation

My lifestyle suitable get dressed up  
Killing beats is cocaine you could say I'm feened up  
Ok I'll let the alcohol take control  
I'm with a bitch that could work it up and down the pole  
I tell a girl drop it low down to the floor  
Your in a situation Jersey Shore  
Point blank period I'm the best ever  
You niggas ain't G's pick another letter
