I still see her in a cheap hotel room
So this is what it's come to
I'd love to say it tastes a different way
But that hasn't actually come true

This is so confusing
Thoroughly amusing
My heart is bruising
Only thoughts of you
And this is so degrading
I'm just waiting
Just keep meditating
Holy matrimony, I do

I do
I do
I do

I'm just a child of the night
And I didn't ask to be not right
Awww, no

Let's just say
That it's that way
And it's been fun
And it's all done
And that's ok
The world's a dark place
And I'm just a dead face in it's womb

This is so confusing
Thoroughly amusing
My heart is bruising
Only thoughts of you
And this is so degrading
I'm just waiting
Just keep meditating
Holy matrimony, I do

I do
I do

I do

But I'm just a child of the night
And I didn't ask to be not right

We're just the children of the night
We didn't ask to be not right
We're just the children of the night
We didn't ask to be not right
We're just the children of the night
We didn't ask to be not right
We're just the children of the night
We didn't ask to be not right

Not right
Not right
Not right
Alright
