(Diane Warren)

It feels like heaven to be holding you tonight

I'm in a dream

'Coz you're with me, wo

And in your eyes I always find my paradise

Right by your side is where I'll stay forever

All I ever need is here in your arms

I don't have to look no further baby

Chorus

Oh, you lift me up

You give me love

You are my heaven

Take me so high

I touch the sky

'Coz you are my heaven baby, heaven baby, heaven

baby

My heaven baby, heaven baby, heaven baby

You're every dream I had

That somehow has come true

I can't believe, oh the way I feel, wo

I wanna spend forever making love with you

'Till the end of time

Sharing this love together

All I ever want is here by your side

No one else could love me better baby

Every time I am here with you baby

It's like having heaven right here in my arms now

darling

And when you touch me I can fly

You are my heaven...
