"Too Old To Grow"

All I want is just fun
I had time
When I didn't want to grow up
To have my own life, own cheques to pay
It's too easy to say, it's too easy to play, but you must
Pay
That's what everybody says
You must pay

Paying for the first time - yeah
Living and having fun - yeah
Having fun everywhere - yeah
Work is just for jerks

And if I just wanted to try
How it is to be like a 24-year-old child
Have a school, vacation, girls
What that really means, I just wanted to see
I just want to try
I want to be young - yeah

Kissing for the first time - yeah
Drinking cheapest wine - yeah
Smoking the first cigarette - yeah
Tasted what sex is - go
