Oh Oh Hey I'm dancing, I can see you there,
Over & Over, Oh Oh O, and no rule, but I'm getting lose,
Over & Over again, Over & Over again. Over & Over
again,

Oh Oh Hey I'm dancing, I can see you there,
Over & Over, Oh Oh O, and no rule, but I'm getting lose,
Over & Over again, Over & Over again,

What, what are you gonna do? Oh boy you better make
that move, last calling
And nowhere to go, you are allways running down and
no one saw you, no one
Ever told you, no one ever showed how to turn me on

Oh Oh Hey I'm dancing, I can see you there,
Over & Over, Oh Oh O, and no rule, but I'm getting lose,
Over & Over again, Over & Over again, Over & Over
again

Now, seeing the lights on you, somehow I feel
everything you do, last
Calling and no place to go, your allways running down,
you are allways
Running down and no one saw you, no one ever told
you, no one ever showed
How to turn me on.

Oh Oh Hey I'm dancing, I can see you there,
Over & Over, Oh Oh O, and no rule, but I'm getting lose,
Over & Over again, Over & Over again

Oh Oh Hey I'm dancing, I can see you there,
Over & Over, Oh Oh O, and no rule, but I'm getting lose,
Over & Over again, Over & Over again
Over & Over Again.
