Jenny was only seventeen when she cut her hair
Her mother said: "your crazy girl" but she didn't care
So she didn't found a job, got the rest...
The boys just getted for... , but she didn't care

Jenny was, Jenny was only seventeen, seventeen
Jenny was, Jenny was only seventeen, seventeen

Jenny is a Skinheadmaid and she is on whine
The teachers who were tolerant...
There were many nights of fun where the boys never
run
Some of them... , Jenny didn't care

Jenny was, Jenny was only seventeen, seventeen
Jenny was, Jenny was only seventeen, seventeen

Jenny was, Jenny was only seventeen, seventeen
Jenny was, Jenny was only seventeen, seventeen
Jenny was, Jenny was only seventeen, seventeen
Jenny was, Jenny was only seventeen, seventeen

Her mother who was ignorant never really cares
She thought it was a... kid, Jenny didn't care
Her mother never...
Never thought it was a way of life, Jenny didn't care

Jenny was, Jenny was only seventeen, seventeen
Jenny was, Jenny was only seventeen, seventeen
Jenny was, Jenny was only seventeen, seventeen
Jenny was, Jenny was only seventeen, seventeen
