

## 46 Brigade "Reverse The Future"

Visit "[Reverse The Future](#)" on MotoLyrics.com

Awake me if this ever goes away  
I took the pill and lay here for a day  
But now I wanna go home  
Remind me this was only meant to be  
A moment that the world would never see  
Cos now I wanna go home  
But I cannot escape

Don't tell me there's a tomorrow what's done is done  
And we can't borrow time and we can't press rewind  
I won't look to the future  
Yesterdays gone  
But it goes on and on  
It goes on and on in my mind

Defend me when the rules I must obey offend me, I  
Tear me down, take me away  
I just wanna go home  
Yeah I wanna go home  
Cos I am not ok

Don't tell me there's a tomorrow what's done is done  
And we can't borrow time and we can't press rewind  
How can we face the future  
Broken and gone  
And we go on and on  
And we go on and on wasting time

Ohohohoh  
I can't go back  
Ohohohohoh  
I can't go back to that

What do I care, what do I care

Don't tell me there's a tomorrow what's done is done  
And we can't borrow time and we can't press rewind  
I won't look to the future  
Yesterdays gone  
But it goes on and on  
It goes on and on while we play blind

I can't go back what's done is done  
I can't go back  
Reverse the future  
I can't go back what's done is done  
I can't go back  
Reverse the future  
Reverse the future  
Reverse the future
