You here all these things in the world
Like in Iraq, with a war and people fighting
People shooting people killing people dieing
What ever happened to world peace?
Were all the same
K some are tall some are small
Some are black some are white
Some are thin some are fat
But were all the same were all human beings

Yo lets stay stop to this
And lets go together
Hold together
Lets stick as close as a bro now

And then there is poverty
And every 1 2 3
Oh someone just died of poverty
They were hungry in poverty
What we doing bout poverty
Knout
We stuff are faces with food and drink and
Opps there goes another 4 four again
That's someone's son someone's daughter
Or a dad or a mum
And even someone's aunty or uncle
Dead, there gone never coming back

Yo lets stay stop to this
And lets go together
Hold together
Lets stick as close as a bro now

You get your bullies bulling
Criminals stealing
Street gangs fighting
Binlarden hiding
Every 5 secs a crime is committed
8 a bullies striking
1 5 people dieing
3 secs there goes poverty again

Yo lets stay stop to this
And lets go together
Hold together
Lets stick as close as a bro now
