It's an emergency
Can't get a hold on me
Cause I'm about to explode
Yes I'm ready, I might let it go now
Sit cause it's already show

I'll be your rockstar
I'll be your frenchmaid
I'll be your supermodel take you on my runaway

I'll be your angel
I'll be your naughty girl
Come dress me up so I can show you show you
Ready set go now

Tell me you've been a good boy
So I can let you in our dirty little secret
Tell me you've been a good boy
So I can let you in our dirty little secret

Dada dirty little, dada dirty little, dada dirty little dirty
little secret(2x)

See you turn the lights
Push re-cord in this video
Baby we gon' rock the boat
Imma lead you in the right direction
Make you wanna beg for more

I'll be your rockstar
I'll be your frenchmaid
I'll be your supermodel take you on my runaway

I'll be your angel
I'll be your naughty girl
Come dress me up so I can show you show you
Ready set go now

Tell me you've been a good boy
So I can let you in our dirty little secret
Tell me you've been a good boy
So I can let you in our dirty little secret

Dada dirty little, dada dirty little, dada dirty little dirty

Now make your body go wild wild wild
Baby turn the heat up all night
Give me what you want, what you want tonight

So I can let you in our dirty little secret (let you in our

Tell me you've been a good boy (good boy)
So I can let you in our dirty little secret(dirty little
secret)

Dada dirty little, dada dirty little, dada dirty little dirty
little secret

Tell me you've been a good boy
So I can let you in our dirty little secret
Tell me you've been a good boy, boy...
