Guess you heard  
About the incident  
At the high school  
It's unfortunate

Out by nag's head  
Diamond marsh  
They say the body  
Was found in parts  
You need good friends  
Times like these  
My heart's bleeding  
For the family

Good to meet ya  
You can call me cain  
Good old comfort  
In the pouring rain  
Yeah good to meet ya  
You can call me cain  
My heart's bleeding  
From all the pain

You're a good egg  
I can tell  
Gonna get to know ya  
Real well

Marietta!

No one's leaving now  
No one's getting out
