She called him on the road  
From a lonely cold hotel room  
Just to hear him say I love you one more time  
But when she heard the sound  
Of the kids laughing in the background  
She had to wipe away a tear from her eye  
A little voice came on the phone  
Said "Mommy when you coming home"  
She said the first thing that came to her mind

I'm already there  
Take a look around  
I'm the sunshine in your hair  
I'm the shadow on the ground  
I'm the whisper in the wind  
I'm your imaginary friend  
And I know I'm in your prayers  
Oh I'm already there

He got back on the phone  
Said I really miss you darling  
Don't worry about the kids they'll be alright  
Wish I were in your arms  
Lying right there beside you  
But I know that I'll be in your dreams tonight

And I'll gently kiss your lips  
Touch you with my fingertips  
So turn out the light and close your eyes

I'm already there  
Don't make a sound  
I'm the beat in your heart  
I'm the moonlight shining down  
I'm the whisper in the wind  
And I'll be there until the end  
Can you feel the love that we share  
Oh I'm already there

We may be a thousand miles apart  
But I'll be with you wherever you are

I'm already there  
Take a look around  
I'm the sunshine in your hair  
I'm the shadow on the ground  
I'm the whisper in the wind  
And I'll be there until the end  
Can you feel the love that we share  
Oh I'm already there  
Oh I'm already  
There
