[chorus:]

come to me  
my love is all you need  
come to me for love  
come to me  
my love is all you need  
come to me for love--

there comes a time  
when you need my love  
and boy, you need someone  
who believes in you  
and everything you do

so it seems  
it's my best for me to show you  
that I'm the one for you  
so take my hand  
to the touch of my affection  
if you're long for pleasure

[chorus]

now is the place  
we've both been before  
so don't close the door  
love can work for you  
if you want me to

keep in mind,  
this is only the beginning  
this much that we can share  
so take my hand,  
we'll live life together  
if you want forever

[chorus]

ooooooh, ooooooh

[saxophone solo]

unh, come on  
give me more  
come here, boy  
oo-oooooh

[chorus w/ ad-libs]
