(Denise Pearson)

Two long hard years
We fought back those tears
Being here together
Is always wanna keep to our happiness
Doing it right
All those lonely people
Without a love
They should take a look at us
And see what we've started

How Dare You
Stay out of my life
Just send me into yours
I say why How Dare You
Don't stay out of my life
I don't wanna know how
We're gonna make it
(How dare you)
We're gonna take it

How Dare You
