(Lorraine Pearson)

Looking through the times tht we can share
They were oh so beautiful
You will keep loving me
Two hearts together

I just wanna know how you're feeling
Baby, it's clear I need you here
Oh, you know it's my heart revealing
All of its fears tonight
'Cause baby..

I can show you love like no other, baby
I can show you love, ohhhh, ohh
I can show you love, you can be my baby
I can show you love, ahh yeah

My life is here within your arms
I love you forever
Come over here (come over) and keep me warm
I need your loving

I miss that smile that said so much
Baby, come here, my mind is clear
Oh, you know I can't help of feelings
Come stay with me tonight
'Cause baby..

I can show you love like no other, baby
I can show you love, ohhhh, ohh
I can show you love, you can be my baby
I can show you love, ahh yeah

I can show you love like no other, baby
I can show you love, ohhhh, ohh
I can show you love, you can be my baby
I can show you love, ahh yeah

Ahhhhhhhhhhhh
Ba ba ba ba ba ba
Ba ba ba ba ba ba ba

I can show you love, show you love

I just want to know how you're feeling
Baby, it's clear I need you here
Oh, you know it's my heart revealing
All of its fears tonight
'Cause baby..

I can show you love like no other, baby
I can show you love, ohhhh, ohh
I can show you love, you can be my baby
I can show you love, ahh yeah

I can show you love like no other, baby
I can show you love, ohhhh, ohh
I can show you love, you can be my baby
I can show you love, ahh yeah

I can show you love (I wanna show you, wanna show
you)
Like you other, baby
I can show you love, ohhhh, ohh
I can show you love (Let me show you, I wanna show
you)
You can be my baby
I can show you love, ahh yeah
