mm-mm-mmm, mm-mm  
I-I get so high  
oo-oooh, hoo, ooooh yeah, ah yeah  
I constantly inspired for once in my life  
from a love you give to me  
so my loving is the sky  
for anything and everything  
that you'll ever need, I swear...  
I swear I don't have a care in the world  
when I'm lying in your arms  
[when I'm lying in your arms]  
there's nothing better than being your girl  
it's the best so good so far  
when I look into your eyes,  
I get butterflies, you bring love to life  
you never fail to keep me satisfied  
[Chorus:]  
I get such a high from your love  
everything you want, you got it  
[you got it goin' on]  
I get such a high from your love  
everything you want, you got it  
now I could never get enough,  
enough of your good love  
you always give unselfishly  
now you hold the master key  
throughout eternity  
you really got a hold on me, ohh  
I swear I don't have a care in the world  
when I'm lying in your arms  
there's nothing better than being your girl  
it's the best so good so far  
when I look into your eyes,  
I get butterflies, you bring love to life  
you never fail to keep me satisfied  
[Chorus]  
[guitar solo]  
ohhh, when I look into your eyes,  
I get butterflies, you bring love to life  
never fail to keep me satisfied  
[repeat Chorus til fade]
