don't be afraid
I can see it in your eyes
my love can't wait, so come on

hey-ey, yeah, ooh yeah
uh-huhhh, oh, ohhhh, oh

love is a burning desire
I can't get enough, you got me calling
I really gotta see you tonight
'cause I know what's on your mind
so let's waste no time and stop faking
we both know what's going on

I, I've give the world to be loved by you
I give the sun when you're feeling blue
you know I'll do almost anything

don't be afraid (don't be afraid)
my love can't wait
I really gotta see you tonight
love me tonight, you gotta love me
my love can't wait
don't be afraid, I wanna see you
hey, hey

forget the words I picked up
for what time is it I've been waiting
so show me just what you got
you'll see you'll be addicted to me
no words could describe of feelings
that gonna be feeling 'cause

(bridge)

don't be afraid, oh no
my love can't wait
oh baby, I really gotta see you tonight
love me tonight
c'mon you gotta love me
my love can't wait
don't be afraid, no, no

don't be afraid
oh I gotta love you, baby
my love can't wait
c'mon, I really got to see you
love me tonight, you gotta love me
my love can't wait
don't be afraid, I wanna see you
oh-oh-ohh, yeah

don't be afraid
I can see it in your eyes
love can't wait, so c'mon, c'mon
don't be afraid
I can see it in your eyes
love can't wait

(bridge)

don't be afraid, oh no, no, no
my love can't wait, oh I can't wait
love me tonight
c'mon, oh no, no, no
my love can't wait
don't be afraid, no, no
don't be afraid, don't be afraid, baby
my love can't wait
oh, my love can't wait, yeah
love me tonight, you gotta love me
my love can't wait
don't be afraid, I wanna see you
ohh, ohh

don't be afraid
baby, you don't have to be afraid
my love can't wait, oh no, no.., ohh
love me tonight
no, no, no, no, no, no
my love can't wait
oh, I can't wait, no, baby, no
don't be afraid, don't be afraid, baby
my love can't wait
(fade)
