left school at the end of June
seems I left just a little too soon
dressed up in my best blouse and skirt
I went in search for work

[Chorus:]
that's problematic
problematic (oh yeah)
problematic (oh yeah)
problematic
as you can see
problematic (oh yeah)
problematic (oh yeah)
problematic
with a capital P

went through the papers, made plenty of calls
only to find there were no jobs at all
even down at the labour exchange
the story's all the same

[chorus]

tell me what's a girl supposed to do
when she finds that after leaving school
no job, no occupation
what's a girl to do

[chorus]

[ad-lib to fade]
