Hey... hey!  
Eh! Ah yeah, Ooh!

Senti... [mm] mental [hey... yeah]  
Senti... [ah yeah] mental

Every day I'm gonna say  
I'm so glad you came my way  
And every night I'll hold you tight  
You make everything alright

And I wanna love you [love you], hold you [hold you]  
Please you [please you], squeeze you  
I wanna love you [love you], hold you [hold you]  
Please you [please you], baby I love you, ohhh

Our love is sentimental, mm...  
And I just can't stop thinking about you  
[Yeah, yeah, yeah]  
Our love is sentimental [ah yeah]  
And I just can't stop thinking about you

All my life I barely tried  
To share the love I feel inside  
And now I can 'cause you're my man, ah yeah  
And you truly understand

And that's why I wanna love you [love you], hold you  
[hold you]  
Please you [please you], squeeze you, oh  
I wanna love you [love you], hold you [hold you]  
Please you [please you], ah yeah, baby I love you, ohh  
[Hey]

Our love is sentimental [ah yeah]  
And I just can't stop thinking about you [ohh no]  
Our love is sentimental [ah yeah]  
And I just can't stop thinking about you [oh-ohhh, baby,  
our love]  
Our love is sentimental [so sentimental, baby, yeah]  
And I just can't stop thinking about you  
[I just can't stop thinking about your love]

Our love is sentimental [oh, ohhh]  
And I just can't stop thinking about you [ohhh, hey...  
yeah]

Don't you know our love is sentimental?  
Don't you know our love is sentimental?  
Oh-ohhh, baby, our love

Our love is sentimental [so sentimental, baby, yeah]  
And I just can't stop thinking about you  
[Wanna love ya, love ya, love ya baby, baby our love]  
Our love is sentimental [so sentimental, baby]  
And I just can't stop [ohhh...] thinking about you  
[Oh, now baby, our love]  
Our love is sentimental [so sentimental, baby]  
And I just can't stop [hey...] thinking about you  
[I just can't stop thinking about your love]  
Our love is sentimental [ohh-ohhh]  
And I just can't stop [oh no] thinking about you [hey...  
ohh yeah]  
Our love is sentimental [oh, our love is sentimental]  
And I just can't stop thinking about you  
[I just can't stop thinking about your love]  
Our love is sentimental [oh yeah]  
And I just can't stop thinking about you [oh-ohhh, ohhh]  
Our love is sentimental
