[Zach] Christopher
[Chris] Yeah, Zack
[Zach] Yo, man. This tune is hittin', man
[Chris] well... hello

[uptempo New Jack]

ah yeah
mm-mm-mmm, oh yeah
woo, ooh, ooh
yeah, eh, yeah

in this material world, I don't need a lot
I'll make the best of everything I knew I've got
but what's precious to me
is what I get from you, ooh, ooh, woh

the moment you look at me
baby, your smile warms me
just like solar energy
there's no room for darkness
boy, when I see you
your love (your love)

[Chorus:]
(shine)
(when I see ya)
(shine) just like the stars so bright
baby (baby)
(shine)
(baby, when ya)
(shine) ooh, ooh
you light up my life
when you shine (when you shine)

you're so special to me
'cause I know you care
diamonds and pearls never gave me
the joy we share
not to mention
the love and understanding, too
ooh, ohhh

love has been good to me
and I know in my heart
you are here 'cause you wanna be
although years of passing
I keep wanting you, oh (your love)

[Chorus]

oh yeah

[Chorus]

I'd rather be a part of you
than be rich and let loneliness
take over me
these words of mine
you're gonna find each one's so true
baby, shine

[Rap:]

you bring out the best in me
there's a necessity
express that we don't depend on destiny
the time right
I'm your knight in armor shine bright
like the limelight, the hopes and joy you sight
in spite the fact my friends say that offend
too much time hangin' out but you're not them
but they don't know the flow or what we got goin'
but I don't care as long you see me glowin'

the moment you look at me
baby, your smile warms me
just like solar energy
there's no room for darkness
boy, when I see you, oh, ohh

(when I see ya) oh yeah
(baby, when ya)
ooh, ooh, ooh
you light up my life
(when you shine)
when you (your love)

[repeat Chorus w/ ad-libs till fade]
