(Delroy Pearson, Denise Pearson)

yeahhh, uh-huh, baby  
I miss you, baby  
hey, yeahh, baby, I miss you

lying here in my bedroom  
with thoughts of you on my mind  
I can't explain, baby, why I'd let you slip away  
I need you by my side  
so tell me what you want, baby

tell me what you want, babe  
(tell me what you want, babe)  
tell me what you needed  
(tell me what you needed)  
you know I can give it  
(you know I can give it)  
anything you wanted (anything you wanted)  
tell me what you want, babe  
(so tell me what you want, babe)  
you know that I'll be there  
(you know that I'll be there)  
in any situation (in any situation)  
so call me, I'll come running

remembering endless nights  
and endless days  
of loving that felt so right  
so baby, can't we spend forever  
in a day tonight  
'cause I need your lovin', baby

(chorus)

tell me what you want, babe  
(tell me what you want, baby)  
tell me what you need  
(you gotta tell me what you need)  
you know I can give it  
you know I can give you anything you want  
tell me what you want, babe

(I'm willing to change for you)  
you know I'll be there (need you babe)  
in any situation (in any situation)

(chorus)

tell me what you want  
what you need, baby  
tell me what you want  
what you need, baby
