oo-oooh, ohh, oh, oh, oh yeah
I'll give you what you need, baby
(this is how it goes)
as I lay asleep last night
I was dreaming about you loving me
feeling you touching me
so won't you come on
and give me what I need, yeah
don't you know I want you more and more
I don't need no other love, no, no
'cuz you and me got it goin' on
don't you hold back, baby
[Chorus:]
I'll be givin' you the love you need
no other man can do the things you do
I'll be givin' you the best of me
don't you know I want you, baby
can't you see you drive me crazy
we have got all night long
let's take our time and do it right
'cuz I believe our love is strong
so let it go on and on and on
don't you know I want you more and more
I don't no other love, no, no
baby, you and me,
we got a good, got a good thing goin' on
so don't you hold back, baby
[Chorus]
ohh, whoa, whoa, whoa, whoa... ohh
don't you know I want you, baby
can't you see you drive me crazy
boy, you kinda drive me crazy
I just want you, baby
don't you know I want you, baby
can't you see you drive me crazy
don't you ever let me go, oh, oh, ohh
[Chorus]
whoo! I wanna get to your lovin, someday
never thought that you're the one I'm thinkin' on
drivin' me crazy with your lovin' touch
boy, I'll do anything that you want me to
just send your love and I will be so true

boy, you drive me crazy
I just want you, baby (whoo!)
I'll be givin' you the love you need
yeah... we got it right, baby
you really drive me crazy
I'll be givin' you the best of me
mm... yeah... that's right, yeah
boy, I'll do anything that you want me to, yeah
just say the word, baby
I'll be givin' you the best of me
yeah, yeah...oh... hey, I do
I'll be givin' you the love you need
I'll be givin' you the love..
be givin' you my love, oooh...
I'll be givin' you the best of me
oh, I want you, baby...
