(Lorraine Pearson/Doris Pearson)

oooh, ooh, ah baby, yeah  
I want you near me, baby  
can't you see it  
your love's electrifying, I can feel it  
your every move sets my soul on fire  
I'm here to stay 'cause you're my one desire  
your love is mine  
there's no doubt in my mind  
now baby, all that's left to say

[Chorus:]  
is the love you bring to me  
is oh so satisfying  
things that you do to me  
so good, there's no denying  
you bring out the best in me  
so baby don't ya  
'cause I want ya, I need ya  
for the love that you bring to me

hey, hey, yeah, ah ha, mmm

when you say you want me, baby  
I believe it  
you got me mesmerizing and I can't leave it  
you got my mind, body and my soul  
come take me now before I lose control  
your love is mine  
there's no doubt in my mind  
now baby, all that's left to say

[repeat chorus twice]

ooh, ooh, oh, oh  
your love's so electrifying  
I can feel it  
it's your every move  
it's your every move  
it's your every move, every move  
it's your every move and you know it

baby, baby

[repeat chorus twice]

oh baby, so good  
do do do do do do do  
oh, oh  
I want ya, I need ya  
for the love that you bring, baby  
so good, that you do, baby  
so good  
do do do do do do do  
ah yeah, hey, baby  
I want ya, I need ya
