Uh, ooh  
Yeah  
I'll be yours tonight, uh  
Ah yeah, mm  
Hey-hey, listen

Uh, hey hey! Woh  
Listen, woh  
Uh, woh, listen, uh

Secrets I tell you, keep them  
Huh, don't tell another  
I feel I can trust you  
Don't let me down (listen)  
You know it  
Ain't too polite  
To cheat on a lady

If your word ain't no good (word ain't no good)  
Then I'll find another (I'll find another)  
To treat me the way you should  
Alright (yeah)  
For me there's no other (me there's no other)  
I'll guarantee you that (I'll guarantee you that)  
A good love is hard to find, uh

(treat me like a)  
(lady)  
(can't you try and understand)  
(treat me like a)  
(lady)  
(baby, can't you understand)  
Uh, come on, woh

Uh, come-come-come, come on  
Come-come-come  
Come-come-c-c-c-come  
Come-come-come

Dealing me wrong, don't ever

You know the outcome  
I'll just up and leave you, mmm  
If you let me down (if you let me down)  
Uh, you know it (ooh)  
I won't be around  
To pick up the pieces

If your word ain't no good (word ain't no good)  
Then I'll find another (I'll find another)  
To treat me the way you should (oh yeah)  
Alright (alright)  
For me there's no other (me there's no other)  
I'll guarantee you that (I'll guarantee you that)  
A good love is hard to find, uh

So treat me like a lady (baby)  
Like you know you should  
Try and understand  
How I feel for you (ah yeah)  
Just treat me like a lady (yes)  
I show my love for you  
Can't you understand  
That my love is true

Come on, woh  
Come on, come on, come on, come on  
Come on now  
Yeah, woh

Woh (ah yeah)  
Uh, uh uh  
Uh uh uh (ah yeah)  
Uh uh, uh uh uh
