Doo doo doo doo doo

Sometimes in our lives
We all have pain, we all have sorrow
But if we are wise
We know that there's always tomorrow

Lean on me when you're not strong
I'll be your friend I'll help you carry on
For it won't be long
Till I'm gonna need somebody to lean on

Please, swallow your pride
If I have faith you need to borrow
For no one can fill those of your needs
That you won't let show.

You just call on me brother when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on

Lean on me when you're not strong
I'll be your friend I'll help you carry on
For it won't be long
Till I'm gonna need somebody to lean on

You just call on me brother when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on

If there is a load you have to bare that you can't
Carry
I'm right up the road I'll share your load if you just
Call me

Call me, call me, call me, call me, call me, call me,
Call me,

Call me...
