Summer is always grey
Somebody is hiding out the sun (Blackness is hiding
out the sun)
Everything you change
Don't last the years to come
Leaving your home is grey, is grey

Repaint myself, green I don't mind
Reveal yourself
Grey was inside my head

Clean out my mind
Breathing swallow the time
Creeping dragging you down my lady
Let the colors stand by

Sky and the clouds are grey
Even erasing it all, I'm done
Pictures that I've made
They're fading back to black
Dreaming your home is grey, is grey

Repaint myself, green I don't mind
Reveal yourself
Grey was inside my head

Grey, grey

Clean out my mind
Breathing swallow the time
Creeping dragging my love you baby
Let the colors stand by

Clean out my mind
Breathing swallow the time
Creeping dragging my love you baby
Let the colors stand by
