Hey man, wish you join the party Amen, candles lights are on and off Mayhem, resisting chasing fighting in hell you dwell

What is going on? It seem that I've been left in a vacuum

Hey man, you begging rise and water Amen, symbols leading down the wrong Mayhem, resisting chasing fighting in hell you dwell

What is going on? It seem that I've been left in a vacuum What is going on? It seem that I've been left in a vacuum

What is going on? It seem that I've been left in a vacuum What is going on? It seem that I've been left in a vacuum
