Wild dreams set me on fire rain falls tonight  
Close my eyes, nightmares they thrill me, I'm losing a  
fight  
But tonight yeah, I will stand my ground  
Creatures won't get in my bed  
I'm like a robot, I have a heart of steel  
Spooky dreams get out of my head

Oh come on, gladiators I am ready to fight  
Come on, alligators you won't eat me tonight  
My friends the old Romans they will kill you that's right  
Come on let's fight, come on let's go wild,  
Like in Rome  
In Rome  
Like in Rome  
We're in Rome

Oh I walk slowly to my burning bed  
Oh I, I try not to fear the dreams in my head  
Yeah tonight yeah, I brought my friends along  
Little Nemo is taking me for a ride  
I'm like giant, oh I'm feeling so strong  
I am ready now to turn off the light

Oh come on, gladiators I am ready to fight  
Come on, alligators you won't eat me tonight  
My friends the old Romans they will kill you that's right  
Come on let's fight, come on let's get wild,  
Like in Rome  
In Rome  
Like in Rome  
We're in Rome

Tonight...  
Tonight..

Little monster, they won't scare me tonight  
I got my Romans, I can handle this fight  
I just call 113 and they will join me for the fight, you'll  
see  
I'm ready for tonight ready for action,  
Let's go to the other side, I need satisfaction

We fight through the night, I'm feeling alright  
Tonight's the night we're all going wild so come on
