I need someone to help me, 'cause I am 2 feet from the
Edge,
Don't push me, see through me, make my heart shalala
Lalala.

Show me how to look inside, 'cause there's is no place
To hide,
I'm trying to dive in this special thing, shalala
Lalala.

Now I'm back on my own foot again, telling you that
how
I'll do.
I know that we're walkin' side by side, and I show that
Everything is gonna be alright.

Hold me now, it's good that you will take me by the
Hand, I know that you will show me wonderland, it's
Going beyond my brightest imagination.
Touch me now, I pray that you lay all your love on me,
How could I ever disagree, 'cause I'm felling lifted
Maybe, shalala lalala.
