Hear the song  
About your boy  
About the 89ers boy  
He does so many things  
And we don't know what it brings  
But he always tries so hard

A later on  
It's friday night  
The disco lights are shining bright  
He has to play some songs  
For some motherfucking hunks  
Who are shouting all the time

And we stand here together  
Together forever  
And I might say hello  
Everybody singing woooaoh

Then they ask  
Some little chicks  
What the hell is going on on this mix  
Just be patient for a while  
Psychodelic music style  
Is exactly what he likes

And after all  
Is said and done  
Where all the people they are having fun

They are jumping all around  
To the 89ers sound  
That is looking really hot

And we stand here together  
Together forever  
And I might say hello  
Everybody singing woooaoh

Hear the song  
About your boy  
About the 89ers boy

He does so many things  
And we don't know what it brings  
But he always tries so hard

A later on  
It's friday night  
The disco lights are shining bright  
He has to play some songs  
For some motherfucking hunks  
Who are shouting all the time

And we stand here together  
Together forever  
And I might say hello  
Everybody singing woooaoh
