Words

Words, don't come easy to me

How can I find a way

To make you see

I love you

Words don't come easy

Words don't come easy to me

This is the only way

For me to say

I love you

Words don't come easy

Words don't, words don't come, words don't
don't come

Words come easy

Words don't, words don't come, words don't
don't come

Don't come easy...

Words don't come easy

Words don't, words don't come, words don't
don't come

Words come easy

Words don't, words don't come, words don't
don't come

Easy easy...

Words don't, words don't come, words don't
don't come

Words come easy

Words don't, words don't come, words don't
don't come

Easy easy...

Words, don't come easy to me

How can I find a way

To make you see

I love you

Words don't come easy

Words don't come easy to me
This is the only way
For me to say
I love you
Words don't come easy
