And I Believe  
There's something magic in fate  
Do you feel ok?  
When love breaks your heart everyday

If we knew each other  
How did we go wrong  
Although we always wanted  
We never tried

Love ain't always supposed to be  
And when you think you can have it  
It's when turns and walks away

Don't let the chances pass you by  
You might need them someday  
Don't look for reasons when things just go wrong  
There's no one to blame but you  
Oh but you

Are u holding on?  
Holding on to a feeling that's gone  
Try to be so strong  
Strong enough to see what our real world is

Life ain't always supposed to be  
And when you think you can take it  
It's when turns and walks away

Don't let the chances pass you by  
You might need them someday  
Don't look for reasons when things just go wrong  
There's no one to blame but you  
Oh but you

Solo

Don't let the chances pass you by  
You might need them someday  
Don't look for reasons when things just go wrong  
There's no one to blame but you

Don't let the chances pass you by  
Don't look for reasons when things just don't work out  
Don't let the chances pass you by  
You might need them someday
