

A Beautiful Oblivion "Dear Diary"

Dear Diary,

I feel so alone
Why am I here
What's my purpose
Sometimes these thoughts
Seem louder than my screams

I've tried to drown the sorrows
To suffocate my fears
But all my actions taken
Flow freely now as tears

I'm alone I cry
I'm alone
Will anyone save me
Does anyone care

Do you hear me
Are you listening
This I write, my story
This legacy of me

Somehow though, I feel there's something more
If Love is really there, please speak to me
