### CHORUS

She's set up in her ways staying awful thin, he's fed up  
being poor and  
Got laws to bend, everywhere I walk distortion is, but  
are you not  
Entertained? Of course you is  
She's set up in her ways staying awful thin, he's fed up  
being poor and  
Got laws to bend, everywhere I walk distortion is, but  
are you not  
Entertained? Of course you is, everywhere I walk,  
distortion is, but are  
You not entertained, of course you is.

### VERSE 1

Obsessed from a young age, cool as, guns blazed,  
none safe, ignorance is  
On the front page, at some stage man, we slipped into  
some dumb phase,  
Filled with pictures of bitches up in a drunk daze, some  
times I can't  
Believe what they be feeding us, gossip it got the  
medias obedience,  
Toxic, they got us reading about some deviants, they  
prefer  
Photogenic over genius, ingredients to aid self  
destruction,  
Popularity increases if ya fail to function, intelligence  
equates to  
Sales of nothing, I reminisce on tapes that were laced  
with substance,  
When investigative news the papers published, and all  
girls didn't  
Think their body shapes repugnant, a great abundance  
of lives to  
Idolize, modern scribes seem confined to meaningless  
diatribe, in my  
Eyes, in your eyes.

### CHORUS

She's set up in her ways stayin awful thin, he's fed up  
being poor and

Got laws to bend, everywhere I walk distortion is, but  
are you not  
Entertained? Of course you is  
She's set up in her ways stayin awful thin, he's fed up  
being poor and  
Got laws to bend, everywhere I walk distortion is, but  
are you not  
Entertained? Of course you is, everywhere I walk,  
distortion is, but are  
You not entertained, of course you is.

#### VERSE 2

We got idols who's life got em stocking up pills, get the  
Spotlight for piping, squandering mills(millions),  
rhymers who get  
Shot, rob and they steal, rub off on the brightest, now  
they out  
Popping tills, what's the appeal, what created the  
change up, not even  
A teen she's caking her face with make up, is it human  
nature, a good  
Girl gone bad, drinking wine in her house singing  
songs about rehab,  
Stumbling home, ripped Jeans and knee scabs, skin  
and bone our  
Culture seems to breed that, could it be that? They're  
vision of beauty  
Is shallow, climbing poles shaking bootys like pussycat  
dolls,  
Mindstate, undeveloped like tadpoles, that push our  
souls, see the  
Imminent black holes, that hold that they got, outta  
control, but you  
Know it don't stop... it's profitable, for my eyes, for your  
eyes,  
For her eyes, it's right there.

#### CHORUS

She's set up in her ways staying awful thin, he's fed up  
being poor and  
Got laws to bend, everywhere I walk distortion is, but  
are you not  
Entertained? Of course you is  
She's set up in her ways staying awful thin, he's fed up  
being poor and  
Got laws to bend, everywhere I walk distortion is, but  
are you not  
Entertained? Of course you is, everywhere I walk,  
distortion is, but are  
You not entertained, of course you is.

BRIDGE

Why do they walk like this, why do they talk like this,  
simple

And plain they just caught where distortion is, why do  
we walk like

This, why do we talk like this, we ourselves change like  
up in this

Game we've been forced to fit. (twice)
