HOOK

(Cactus) I was caught up in fiction I lied to the world,
told her a change
Won't follow, I told her don't waste your time anymore
(Torch) a renegade gotta face a change, stay away
from them wasted days now
Break.

VERSE 1

Man, this the life of the cool folks and them cliché
muso's reach for that
Ouzo, keep drinking till that booze goes, travelled
more then a few roads,
Worn are my shoe soles, some rapping for that kulo, I
stayed glad with the
Kudos, grabbing at fools gold, from that spot I couldn't
move no, pinned
Back like judo, trapped... Robinson Crusoe. We always
blazed on the
Weekdays and we normally sleep late pause then we
replay. Sort of thought
There'd never be change but now I like my b' day for
Torcha it's D-day. We
Always blazed on the weekdays and we normally sleep
late, pause then we
Replay. Sorta thought there'd never be change but now
I like my b'day for
Torcha it's D-day.

HOOK

(Cactus) I was caught up in fiction I lied to the world,
told her a change
Won't follow, I told her don't waste your time anymore
(Torch) a renegade gotta face a change, stay away
from them wasted days now
Break.

VERSE 2

We got props for them hot bars, been on dust like rock
stars cuffed up in
Cop cars, screaming out they should stop war but every
spot that we pub

Crawl none stop got brawls. Many chasing that feeling
and by age
Twenty-eight probably wasted a million. From this day
dig my heals in, I'll
Never be Bill Gates but I'm gonna build for my children,
so what it took to
Be a man now is put some plans down, never look for
them hand outs. Now
Torch in the cockpit, what's more it's a rocket, we off,
watch this... Many
Thinking you're at loss kid, piss poor were them options
Naught in my
Pockets. Many thinking your at loss kid, piss poor were
them options naught
In my pockets. Many thinking you're at loss kid, piss
poor were them
Options naught in my pockets. Since the call from the
doctors, I had my bad
Thoughts packed all into boxes.

HOOK

(Cactus) I was caught up in fiction I lied to the world,
told her a change
Won't follow, I told her don't waste your time anymore
(Torch) a renegade gotta face a change, stay away
from them wasted days now
Break.

BRIDGE

So I told her I'm switching up. To live it up with a
different buzz, now
That wisdoms come.
So I told her I'm switching up. To live it up with a
different buzz, now
That wisdoms come.
So I told her I'm switching up. So I told her...

(Cactus) I told her a change won't follow
(Torcha) a renegade, gotta face the change, stay away
from the wasted days
Now break
(Cactus) I told her a change won't follow
(Torcha) a renegade, gotta face the change, stay away
from the wasted days
Now break
(Cactus) I told her a change won't follow
(Torcha) a renegade, gotta face the change, stay away
from the wasted days
Now break
(Cactus) I told her a change won't follow
(Torcha) a renegade, gotta face the change, stay away

from the wasted days
Now break
(Cactus) I told her a change won't, I needed a change
though, I told her
Don't waste your time anymore.
