### HOOK

And you could be the one that saves me, living in my  
world you know it's  
Crazy, I feel the truth confirming lately, you could  
break me out this  
Daydream.  
And you could be the one that saves me, living in my  
world you know is  
Crazy, I'm thinking now girl... just maybe, you could  
break me out this  
Daydream.

### VERSE 1

This is my lane, please you won't change me, these  
lyrics gaze deep, target  
Main themes, far from mainstream, best to pave roads,  
whether we stay broke  
Or destined for payloads. I've been wasteful lord is my  
witness. Stayed  
Shit faced, burnt all of my bridges, felt my brain was  
borderline twisted,  
So far from sane when your at a distance.

### HOOK

And you could be the one that saves me, living in my  
world you know it's  
Crazy, I feel the truth confirming lately, you could  
break me out this  
Daydream.

break me out this  
Daydream.

### VERSE 2

Iv got a thirsting for the worst things, I should be  
working, I'm on my  
Third drink. But I'm gonna turn things that's for certain,  
hit my straps  
When they pull back that curtain Cursing cause gee I  
got squat now, still

Your pushing me my dreams is your lot now, most  
weeks I'm leaving to rock  
Crowds, no sleep you see, it's one shot now. F the old  
route it's snap the  
Moulds now, man these cul-de-sacs and traps be my  
home grounds. Never sold  
Out, but can we hold out, give it another crack, try and  
pan some gold out.  
So the loads now bigger than I thought and my  
remedies been drinking till  
I'm warped, future I'd see was vivid in my thoughts and  
when it blinded me  
You'd steer me the right course.
